STYRENE™

High Impact Polystyrene by UltraBoard

United Industries is excited to announce the addition of UltraBoard Styrene™ Dead White to our innovative high impact polystyrene extrusion line. Our print-grade HIPS production capability not only allows us to provide a fantastic line of polystyrene products, but also enables us to deliver unmatched quality & consistency; as well as improved logistic services to our distribution centers nationwide.

UltraBoard HIPS Advantages

• Engineered Exclusively for Print Grade Polystyrene

• Dedicated Print Market Output for Greater Product Consistency

• Eliminates Risk of Mis-blended Hips Inventories

• Dedicated Line Ensures Color Quality and Whitepoint

• Color Consistency with HIPS, Classic and Lite Products

• Distributor-direct Freight Virtually Eliminates LTL Damage

• Corona Treatment Available

• Compatible with Latex, UV, Screen Inks
